Residency/Fellowship

2004 Elected Fellow of the British-American Project (for young leaders in their fields in the US and UK; national selection process)

2003-2004 U.S. Fulbright Scholar for study at London School of Hygiene and Tropical Medicine, UK.

2004 Awarded MSc. with Distinction and received Okeke-Simpson Award for best student, London School of Hygiene and Tropical Medicine, Public Health in Developing Countries Master's Course

2007 UCSF Surgery Department Azakie-Chesson Award for compassion awarded to Chief Resident

2002 Alpha Omega Alpha

2009 Second Prize, Annual Resident/Fellow Research Competition, Hospital for Sick Children

Teaching Awards and Nominations

2002 Kaiser Award for Excellence in Housestaff Teaching (5 housestaff/year)

2005 Kaiser Teaching Award Nomination

2005 UCSF Resident Teaching Fellowship

2006 UCSF Surgery Department Senior Resident Teaching Award for outstanding medical student education

2007 Kaiser Award for Excellence in Housestaff Teaching

2007 UCSF Surgery Department Resident Teaching Award for outstanding medical student education

2011 Top-ranked faculty educator, University of Buffalo Department of Surgery faculty

Research Awards & Grants:

Pending

Key Personnel: NIH Fogarty Center PAR-12-2003 application for "Program in Global Research for Surgical Systems" (PROGRESS), in revision for possible resubmission

Past

1994-95 Harvard University Department of Economics, Research asst. to Prof. Jeffrey Sachs; investigated causes of Turkey's 1994 currency devaluation applying macroeconomic theory and testing a model of foreign exchange crises, results summarized in senior thesis

1997-98 Department of Family and Community Medicine Research Grant, Research asst. to Jacqueline Tulskey MD; Researched and authored report “Provider and Client Perspectives on Homelessness

2003-04 US/UK Project for Youth Violence Prevention; youth research exchange between deprived communities in London and San Francisco investigating model programs for violence prevention, funded by British Airways and the British Government

2003-04 US-UK Fulbright Program Grant for MSc Public Health Developing Countries at the London School of Hygiene and Tropical Medicine and fieldwork in access to emergency surgical care in Uganda

2005-6 Co-authored Global Health Sciences Innovation Research Award: “Focused Abdominal Sonography for Trauma (FAST) in an Emergency Ward in Uganda” M. Knudson, MD, Principal Investigator

2007 Hellman Family Award for Outstanding Junior Faculty “Building Capacity for Trauma Care in Uganda” co-PIs Doruk Ozgediz MD MSc and Jacqueline Mabweijano MD

Other support:

2013: Yale Medical Staff Fund: Approval for travel expenses for two trainees for surgical outreach to Uganda

Lectures/Teaching:

FORMAL SCHEDULED CLASSES FOR UCSF STUDENTS

Qtr	Academic Yr	Course No. + Title	Teaching Contribution	Units	Class Size
Spring	2002-present	CODA Course preparing medical students for internship	Lecturer		25-140
W	2006-07	Introduction to Global Health; Epi 180.10	Lecturer		50
Summer	2007	Global Health Core Course	Lecturer		25

POST-GRADUATE AND OTHER COURSES

1999 “Earthquake in Turkey: Disaster Relief and Recovery” **D Ozgediz**, M Stinson, MD; fundraiser presentation session/CME course at UCSF

2005 Co-organized Injury/Trauma Research and Development Conference with collaboration between UCSF, Makerere University, Injury Control Center Uganda and University of Toronto; Presented “Meeting the Surgical Human Resource Gap: Surgery in Ugandan Subdistricts” **D Ozgediz MD MSc**, O Bornemisza MEDes MSc, C Hongoro PhD, J Amone MD MSc, D Farmer MD, H Debas MD

2006 Organized UCSF Global Health Sciences Seminar “*From the Tsunami to Katrina: Lessons of Disasters*” and gave presentation “The Tsunami and Civil Conflict in Sri Lanka: Lessons Learned” **D Ozgediz MD MSc**, R Dicker MD

ORGANIZATION OF NATIONAL AND INTERNATIONAL CONFERENCES

- 1) Bellagio Essential Surgery Group: assisted in organization, planning, and background documents of first (2007, Bellagio, Italy) and second (2008, Kampala, Uganda) meetings <http://globalhealthsciences.ucsf.edu/bellagio/index.html>
- 2) Burden of Surgical Disease Working Group: assisted in organization, planning, and background documents of first (2008, Seattle, Washington) and second (Chicago, Ill) annual meetings, as well as fifth meeting (2011 San Diego, California)
- 3) Stakeholders Meeting to Improve Surgical Services in Uganda: assisted in organization, planning, and background documents of first meeting May, 2009
- 4) Global Partners in Anesthesia and Surgery (GPAS) and Uganda North American Medical Society (UNAMS) annual meeting April 23, 2010; assisted in organization and planning of meeting to harmonize and share information among varied international groups working in surgery and anesthesia in Kampala, Uganda
- 5) Co-Organizer, Pediatric Surgery Panel, Surgical Metrics Breakout Group, and COSECESA partners meeting, ASAP 5th annual meeting, November 2011
- 6) Organizer, Global Pediatric Surgery Panel, Yale University, October 3, 2012; see <http://unitetnz.org/2012/10/dr-emmanuel-ameh-of-nigeria-speaks-at-yale-about-pediatric-surgery-in-africa/>

UCSF MEDICAL STUDENT COURSES & GROUPS ORGANIZED

1996-97 Art for Recovery—Class Coordinator; Founded course with program at UCSF-Mt Zion matching medical students with the terminally ill usually the arts in coping with illness.

1996-97 Humanities + Medicine—Coordinator; ran literature + medicine course for medical students

1997-98 Integrated Medicine Interest Group, Co-President; planned campus workshops and lectures with practitioners of alternative healing modalities

UCSF DEPARTMENT OF SURGERY GRAND ROUNDS

1/2005 “Surgery and Global Health”

3/2006 “Perioperative Bloodborne Infections”

5/2006 “Passion for Surgery: Medical Student Teaching”

11/2006 “Ethical Dilemmas in Surgical Behavior”

1/2007 “Rising to the Challenge of Global Surgery: Global Health or Global Surgery?”

3/2007 “Trauma Clinical Conference: Thoracic Trauma”

HOSPITAL FOR SICK CHILDREN (TORONTO) GRAND ROUNDS

6/2009 “Surgery and Global Health: Partnerships, Burden of Disease, and Capacity-Building”

INFORMAL TEACHING

2005-07 *Weekly Senior and Chief Resident Conferences*: one hour case-based presentations to attendings, residents, and surgical teams on selected surgical topics, including but not limited to:

- Colorectal Surgery: Diverticular Disease; Intestinal Reconstruction with low rectal cancer; Natural history of small bowel obstruction; Deep Venous Thrombosis Prophylaxis; Metastatic rectal cancer; surgical management of ulcerative colitis
- Upper GI Surgery: Choledochal cysts; pancreatic cystic neoplasms; pancreatic pseudocyst; pancreatic debridement for necrosis; approaches to choledocholithiasis; ampullary cancer
- Surgical Oncology: Surgical approaches to gastroesophageal junction tumors; Surgical palliation of metastatic gastric cancer; multimodality therapy of gastrointestinal stromal tumors
- Endocrine Surgery: Indications and techniques for laparoscopic adrenalectomy for adrenal tumors; Follicular Thyroid cancer
- Pediatric Surgery: Laparoscopic hernia repair; surgical techniques and outcomes with intestinal atresia

- Trauma: Indications for resuscitative thoractomy; Approaches and outcomes of penetrating cardiac trauma
- Vascular Surgery: Peripheral Arterial Reconstruction; thoracic aortic aneurysm

2001-03 *Intern Conference*: Co-organized and established weekly senior resident-led didactic presentations and curriculum for residents and medical students.

2004-07 Intern conference: Lecture on “Teaching As a Resident” and “Hypotension and Shock”

2001-2008 Assisted in Medical Student Suturing and Skills workshop for all third-year medical students on their core surgery clerkship

PRESENTATIONS AT YALE UNIVERSITY

Medical Education Elective: “The One Minute Clinical Preceptor” and “Confronting errors and mistakes in medicine,” November 2012

Department of Urology Grand Rounds: “Surgery and Global Health: Challenges and Opportunities” March 6, 2013
